

Dear Parents/Guardians,

22/08/2021

I hope that you are all safe and well and looking forward to your child/ren's return to school on Tuesday 31st August. We have been carefully planning our reopening and are looking forward to the safe return of all our pupils and staff.

We would like to welcome back Mrs Fitzgerald and all our staff. A very special welcome to all our new pupils and the Junior Infant pupils and their families.

Once again, our priority is the health and safety of all our school community. Last year we were so proud of the effort and commitment of everyone in supporting our pupils and our school through these very different times.

I would ask that parents/guardians take time to read the Covid Response Plan when we publish it on our school website. This will hopefully answer all queries and concerns. A hard copy will be available from the office if required. Please contact Caroline at 059 9161304 or email rathvilly.ns@gmail.com.

This plan will change as guidelines and recommendations from the Government and HSE are issued.

Thank you to the staff and Board of Management of the school for their input, effort and commitment in devising this plan.

Finally, I would like to take this opportunity to thank you all in advance as we strive to ensure the continued safety and education of our pupils.

Kind regards,

Helen Molloy
